Kisses

Cascadeur

The story is unreal
Goddess and a mortal man
Spent so much time face to faceFound me on the shore
Closed my eyes and broke my sleep
Brought back to life by your beliefBut I cannot stay
My life is far away
How strange were your kisses
Cried you're not a woman
Wished you'd be mortal
How lasting were those kisses
The story of a dream
Between a ghost and a mayfly
So many nights back to backYou put a spell on me
Goddess, of my loneliness
Scared to death, so inhumaneBut I cannot stay
My life is far away
How strange were your kisses
Cried you're not a woman
Wished you'd be mortal
How lasting were those kissesDon't tell me we are just stardust
Don't tell me we are for silence
Don't tell me we are forsaken
Don't tell me we will be no more
But I cannot stay
My life is far away
How strange were your kisses
Cried you're not a woman
Wished you'd be mortal
How lasting were those kisses
