# Best Be Believing (Shadow Child Remix)

## AlunaGeorge

Doesn't make any sense to you
When I do everything you tell me not to do
When you turn the corner you built for me
You can bet it's way too good to be true
So you say, you can see through the cracks of my pain
There's a satellite image like a map of my brain, my brain
Too many voices telling the ones that need to be
I, I must turn it down, turn it down
Turn it down, turn it downEveryone's gonna get their chance
So there's no need to feel lost
Storm the crowd, turn me up, turn me up
Turn me up, turn me up
You best be believing, best be believing
Best be believing, best be believing
Nah nah nah nah, nah nah nah nah
You best be believing, best be believing
Best be believing, best be believing
Nah nah nah nah, nah nah nah nahIf that's all you really wanted to be
Better brace yourself for the hurricane we deliver
Best prepare for the winter
We can wake up the dead with the fury in our heads
We'll be running downstream while you're swimming up river
It'll make you shiver
Too many voices telling the ones that need to be
I, I must turn it down, turn it down
Turn it down, turn it down
Everyone's gonna get their chance
So there's no need to feel lost
Storm the crowd, turn me up, turn me up
Turn me up, turn me up
You best be believing, best be believing
Best be believing, best be believing
Nah nah nah nah, nah nah nah nahYou best be believing, best be believing
Best be believing, best be believing
Nah nah nah nah, nah nah nah nah
You pray I'll stay in the sun
But that's not what I'm made of
That's not what I'm made of
Now you say, I'm not sweet enough to talk

But I still got sugar, I still got sugar
I still got sugar, I still got sugar
You best be believing, best be believing
Best be believing, best be believing
Nah nah nah nah, nah nah nah nah
You best be believing, best be believing
Best be believing, best be believing
Nah nah nah nah, nah nah nah nah
You best be believing, best be believing
Best be believing, best be believing
Nah nah nah nah, nah nah nah nah
You best be believing, best be believing
Best be believing, best be believing
Nah nah nah nah, nah nah nah nah
