

Oh How Beautiful

NLC Worship

Oh Great God
Who redeems and resurrects the broken
Holy One
Who was there before all words were spoken
We have come
To recall the work of grace that you have done

Oh Great God
You are mighty to restore the fallen
Faithful One
With the grace to carry every burden
Glory comes
Greater than the sum of all our trials here

Oh how beautiful,
Is the One you gave as ransom for the lost
Oh how wonderful,
Is the love that He displayed upon the cross

Oh Great God
You are more than all our words could measure
Precious One
Even more than all our hearts could treasure
In your love,
We are overcome with joy that you are here

Glory and wonder have captured our hearts
Jesus, Our savior
Be lifted higher
Yours is the kingdom, a kingdom of love
Our Great Redeemer
Be lifted higher
