A Silver Lining

We Shot The Moon

Everytime I go up to a window
I'm reminded, i'm reminded.
Every morning when I see the sunrise
I'm reminded, i'm reminded.
Oh oh oh ohhhhhhh o o ohhhh.
Oh oh oh ohhhhhhh o o ohhhh.
We can be found, we can be found
It's never too late
To change.
You came around, you came around
A silver lining
Found me again.
We're lonely people
All lookin' for somethin'
I'm reminded, i'm reminded.
I bare a cross that pulls down like an anchor
I'm reminded, i'm reminded.
Oh oh oh ohhhhhhh o o ohhhh.
Oh oh oh ohhhhhhh o o ohhhh.
We can be found, we can be found
It's never too late
To change.

You came around, you came around
A silver lining
Found me again.
Here's all my love
All my love for you
I will open up.
Here's all my love
All my love for you
I will open up.
Oh oh oh ohhhhhhh o o ohhhh.
We can be found, we can be found
It's never too late
To change.
You came around, you came around
A silver lining
Found me again.

(Here's all my love, all my love)
A silver lining
Found me again.
(Here's all my love, all my love)
A silver lining
Found me again.
