

# A Silver Lining

## We Shot The Moon

Everytime I go up to a window  
I'm reminded, i'm reminded.  
Every morning when I see the sunrise  
I'm reminded, i'm reminded.  
Oh oh oh ohhhhhhhh o o ohhhh.  
Oh oh oh ohhhhhhhh o o ohhhh.  
We can be found, we can be found  
It's never too late  
To change.  
You came around, you came around  
A silver lining  
Found me again.  
We're lonely people  
All lookin' for somethin'  
I'm reminded, i'm reminded.  
I bare a cross that pulls down like an anchor  
I'm reminded, i'm reminded.  
Oh oh oh ohhhhhhhh o o ohhhh.  
Oh oh oh ohhhhhhhh o o ohhhh.  
We can be found, we can be found  
It's never too late  
To change.  
  
You came around, you came around  
A silver lining  
Found me again.  
Here's all my love  
All my love for you  
I will open up.  
Here's all my love  
All my love for you  
I will open up.  
Oh oh oh ohhhhhhhh o o ohhhh.  
We can be found, we can be found  
It's never too late  
To change.  
You came around, you came around  
A silver lining  
Found me again.

(Here's all my love, all my love)  
A silver lining  
Found me again.  
(Here's all my love, all my love)  
A silver lining  
Found me again.
