You get that call from one of yo dawgs it's time to get active
You finna fuck on a broad yeah it's time to get active
When you off of them streets yoh can't miss a beat you gotta be active
Whenever you beat gotta grind with ease you gotta stay active

Gotta stay active (4x)

Everybody know that I'm active

(1st Verse - Yung Booke)

Everybody know that I'm active

Everybody know you a capper

Play with Y6 a disaster

You should of stood by the pastor

2 guns i heat his lil ass up

Dressing all black and im ass up

You the type to cop a backup

Put all of your thoughts on the dashboard

Shit we'll go to war with the tax force

I used to dream of that black Porsche

Until I seen a Bentley truck

Ooo i gotta run my digits up

Fuck all who against us

Not a lil small but a big fuck

If I was pussy y'all woulda been tried me

Money rule the world and i got big bucks

Money solve my problems i got lotto shawty

I'm a mob boss , loso in my posse

Bitch im big papa in Versace blockers

And I keep that 9 like im (?)

Woah woah , shit !

Slow it down they can't keep up

I keep that heat like a fever

27 Uno Gang
