

# Rebellion (Lies)

## Vitamin Records Presents

Sleeping is giving in, no matter what the time is  
Sleeping is giving in, so lift those heavy eyelids  
People say that you'll die, faster than without water  
But we know it's just a lie, scare your son, scare your daughter  
People say that your dreams are the only things  
that save you  
Come on baby in our dreams, we can live our misbehavior  
Every time you close your eyes  
(Lies, lies)  
Every time you close your eyes  
(Lies, lies)  
Every time you close your eyes  
(Lies, lies)  
Every time you close your eyes  
(Lies, lies)  
Every time you close your eyes  
Every time you close your eyes  
Every time you close your eyes  
Every time you close your eyes  
Every time you close your eyes  
People try and hide the night underneath the covers  
People try and hide the light underneath the covers  
Come on hide your lovers underneath the covers  
Come on hide your lovers underneath the covers  
Hidin' from your brothers underneath the covers  
Come on hide your lovers underneath the covers  
People say that you'll die faster than without water  
But we know it's just a lie, scare your son, scare your daughter  
Scare your son, scare your daughter  
Scare your son, scare your daughter  
Now here's the sun, it's alright  
(Lies, lies)  
Now here's the moon, it's alright  
(Lies, lies)  
Now here's the sun, it's alright  
(Lies, lies)  
Now here's the moon it's alright  
(Lies, lies)  
Every time you close your eyes  
(Lies, lies)  
Every time you close your eyes  
(Lies, lies)  
Every time you close your eyes  
(Lies, lies)  
Every time you close your eyes  
(Lies, lies)  
Every time you close your eyes  
(Lies, lies)  
Every time you close your eyes  
(Lies, lies)  
Every time you close your eyes  
Every time you close your eyes  
Every time you close your eyes  
Every time you close your eyes  
(Lies, lies)
