

Like I Love You

Justin Timberlake

Just something about you
The way I'm lookin' at you whatever
You keep lookin' at me
You gettin' scared now, right?
Don't fear me baby, it's just destiny
It feel good right?
Listen I kind of noticed, from one night
From the club, your front face
It's kind of weird to me
Since you're so fine
If it's up to me your face will change If you smiling, that should set the tone
Just be limber
If you let go, the music should groove your bones
Just remember
Sing this song with me Ain't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I touch you People are so phony
Nosy 'cause they're lonely
Aren't you sick of the same thing?
They say so and so was dating
Love you or they're hatin'
When it doesn't matter anyway
'Cause we're here tonight If you smiling, that should set the tone
Just be limber baby
If you let go, the music should groove your bones
Baby just remember
Sing this song with me Ain't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I touch you Yeah, you know I can make ya happy
I could change your life
If you give me that chance
To be your man
I won't let you down baby
If you give me that chance
To be your man
Here baby, put on my jacket
And then Maybe we'll fly tonight (I just wanna love you baby)

Yeah, yeah, yeah
Maybe we'll fly tonight (I just wanna love you baby)
GirlMa, what you wanna do?
I'm in front of you
Grab a friend, see I can have fun with two
Or me and you put on a stage show
And the mall kids, that's how to change low
From them you heard "wow, it's the same glow"
Look at me, I say "yeah, it's the same dough"
We the same type, you my air of life
You have sleepin' in the same bed, every nightGo rock with me, you deserve the best
Take a few shots
Let it burn in your chest
We could ride down
Pumpin' N.E.R.D. in the deck
Funny how a few words turn into sex
Play this free, joint called "brain"
Ma, take a hint
Make me swerve in the lane
The name Malicious
And I burn every track
Clique and J. Timberlake
Now how heavy is that?Maybe we'll fly tonight (I just wanna love you baby)
Yeah, yeah, yeah
Maybe we'll fly tonight (I just wanna love you baby)
GirlAin't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I touch youBreak this downYou know, I used to dream about this when I
was a
little boy
I never thought it would end up this way, [drums]
It's kind of special right? yeah
You know, you think about it
Sometimes people just destined
Destined to do what they do
And that's what it is
Now everybody dance.
