

Life Gets Away

Clint Black

We're tied to our memories
They won't let us stray
We're not gonna lose ones
We made yesterday We look to our future
And we make all our plans
As if we control what
Is out of our hands The world keeps on turning
I'm learning to see
Right where I am is
Where I have to be You can't count the pages
All ages hear the call
No matter how hard we try
Life gets away from us all We start getting older
The moment we live
Look over your shoulder
There's hindsight to give Come good days and bad days
The sun's gonna rise
So why look beyond what's
In front of your eyes The world keeps on turning
I'm learning to see
Right where I am is
Where I have to be You can't count the pages
All ages hear the call
No matter how hard we try
Life gets away from us all No matter how hard we try
Life gets away from us all
