

# Set It Off

## Timomatic

Uh, TimomaticI, I see ya staring  
What you wearing  
Gucci, Chanel, it don't matter you're amazing  
And I just wanna get you in my ride  
Cause girl you been burning up in my mindSo let's walk walk over the bar  
Fill it up up do a little dance stir it up up  
Everybody knows what's up up  
Come on let's move move loving all the things you do do  
Girl I got my eyes on you you  
You know you got itEverybody, do you want it?  
Let's get it started  
Set it off! Set it off!  
If you really want it  
Let's get it started  
Everybody  
Set it off!To all my people on the dance floor, set it off  
We running hot we about to get low, set it off  
And if you're sexy and you want more, set it off  
Yeah yeah, set it off!  
Yeah yeah, set it off!Let's get it closer  
Girl I got to know ya  
No place I'd rather be than right here with ya  
You work the body just the way I like  
Got it going on make me lose my mindSo let's walk walk over the bar  
Fill it up up do a little dance stir it up up  
Everybody knows what's up up  
Come on let's move move loving all the things you do do  
Girl I got my eyes on you you  
You know you got itEverybody, do you want it?  
Let's get it started  
Set it off! Set it off!  
If you really want it  
Let's get it started  
Everybody  
Set it off!To all my people on the dance floor, set it off  
We running hot we about to get low, set it off  
And if you're sexy and you want more, set it off  
Yeah yeah, set it off!  
Yeah yeah, set it off!Everybody, do you want it?

Let's get it started  
Set it off! Set it off!  
If you really want it  
Let's get it started  
Everybody  
Set it off! To all my people on the dance floor, set it off  
We running hot we about to get low, set it off  
And if you're sexy and you want more, set it off  
Yeah yeah, set it off!  
Yeah yeah, set it off!
