Baby

Dream

Whatcha gonna do, baby
Whatcha gonna do
Whatcha gonna do, baby
Whatcha gonna do
I know you want me, baby
Like I want you, baby
So tell me whatchu gonna do, baby baby baby
I know you want me, baby
Like I want you, baby
So tell me whatchu gonna do, baby baby baby
I know that you want me
You know that you need me
So why you wanna play these games with me
It's not just a lie
I see it in your eyes
So whatchu wanna do, gonna do, baby
I know you want me, baby
Like I want you, baby
So tell me whatchu gonna do, baby baby baby
I know you want me, baby
Like I want you, baby
So tell me whatchu gonna do, baby baby baby (Whatchu gonna do)
Whatcha gonna do, baby
Baby
Whatcha gonna do, baby
Tell me whatchu gonna do
I'm not gonna lie
I feel something inside
When you're next to me, baby

It feels real good
Just like I knew it would (just like I knew it would)
So whatchu gonna do, it's all on you
I know you want me, baby
Like I want you, baby (I know you want me, baby)
So tell me whatchu gonna do, baby baby baby (tell me whatchu gonna do)
I know you want me, baby
Like I want you, baby
So tell me whatchu gonna do, baby baby baby (Whatchu gonna do)

If you want my love, let me know (let me know)
If you need me boy, let it show
'Cause when it comes to my love, I gotta know (I gotta know)
Tell me whatchu gonna do
I know you want me, baby
Like I want you, baby (I know you want me, baby)
So tell me whatchu gonna do, baby baby baby (tell me whatcha gonna do)
I know you want me, baby
Like I want you, baby (I'm right here for you)
So tell me whatchu gonna do, baby baby baby (tell me whatchu gonna do)
I know you want me, baby
Like I want you, baby
So tell me whatchu gonna do, baby baby baby
I know you want me, baby
Like I want you, baby
So tell me whatchu gonna do
I know you want me, baby
Like I want you, baby
So tell me whatchu gonna do, baby baby baby
I know you want me, baby
Like I want you, baby
So tell me whatchu gonna do, baby baby baby
