How Do I Breathe

Tajh

How do I breathe?
How do I breathe?
Mmm mmm
It feels so different being here, I was so used to being next to you
Life for me is not the same, there?s no one to talk to
I don't know why I let it go too far, starting over it's so hard
Seems like everywhere I try to go I keep thinking of you
I just had a wakeup call wishing that I never let you fall
Baby you are not to blame at all when I'm the one that pushed you away
Maybe if you knew I cared you?d?ve never went nowhere
Girl I should have been right there
How do I breathe without you here by my side?
How will I see when your love brought me to the light?
Where do I go when your heart?s where I lay my head?
When you?re not with me, how do I breathe, how do I breathe?
Girl I'm losing my mind, yes I made a mistake
I thought that you would be mine, guess the joke was on me
I miss you so bad I can?t sleep, I wish I knew where you could be
Another dude is replacing me, god this can?t be happening!
I just had a wakeup call wishing that I never let you fall

Baby you are not to blame at all when I'm the one that pushed you away
Maybe if you knew I cared you?d?ve never went nowhere
Girl I should have been right there
And I wonder
How do I breathe without you here by my side?
How will I see when your love brought me to the light?
Where do I go when your heart?s where I lay my head?
When you?re not with me, how do I breathe, how do I breathe?
Ooh, I should?ve brought my love home, girl
And baby I ain?t perfect, you know
The grind has got a tight hold, girl, come back to me
?Cause girl you made it hard to breathe when you?re not with me
Tell me, how do I breathe without you here by my side?
How will I see when your love brought me to the light?
Where do I go when your heart?s where I lay my head?
When you?re not with me how do I breathe?
How do I breathe without you here by my side?
How will I see when your love brought me to the light?

Where do I go when your heart?s where I lay my head?
When you?re not with me, how do I breathe, how do I breathe?
