

Say My Name (Radio Edit)

Porter Robinson

Say my name and you can
Say my name and you can
Say my name and you can
Say my name and you can
Say my name and you can
Say my name and you can
Say my name and you can
Say my name and you can
Say my name and you can

Say my name and you can say it with honor

Say my name and you can
Say my name and you can
Say my name and you can
Say my name and you can
Say my name and you can

Name and you can, say my name and you can

Say my name and you can (and you can)

Say my name and you can say it with honor

Name and you can

Say my name and you can say it with honor

Say my name and you can, say my name and you can

Say my name and you can, say my name and you can

Say my name and you can, say my name and you can

Say my name and you can say it with honor

Say my name and you can say it with honor

Say my name and you can

Say my name and you can

Say my name and you can

Say my name and you can

Say my name and you can, say my name and you can

Say my name and you can, say my name and you can

Say my name and you can, say my name and you can

Say my name and you can say it with

Name and you can

Can can

Say my name and you can say it with honor

Say my name and you can, say my name and you can

Say my name and you can, say my name and you can

Say my name and you can, say my name and you can

Say my name and you can say it with honor
Say my name and you can say it with honor
