

Think about me

The Artful Dodger

Did you think that you could turn away
From the love I gave
Did I really hear you say it's over
Baby, you found another lady
After everything I did for you
Did you think you'd finally stay with someone new
There's only one me and you cannot replace me
So tell me who you run to
When times are hard and you need the love to turn to
Now you know how it feels when young hearts break

Break, break, break, break, break
Break, break, break, break, break

Think about me, when you're lonely
Do you ever think about me
Think about me, me only
Do you ever think about me
When you're feeling low, do you want to call
When you're on your own, doesn't hurt at all
Do you ever think about me
Do you think about me

Heard that she found another guy
Heard he made you cry and you can't believe
How much it hurt you
You thought you'd be true, are you?
Now I hear that you want me back
But you ain't really sure bout me down with that
Cause when you left me, it didn't matter
That you left me lonely
Tell me, how does it feel to be the one who's hurting?
Now you know how it feels when young hearts break

Think about me, when you're lonely
Do you ever think about me
(Do you think about me, yeah)
Think about me, me only
Do you ever think about me (hey!)

When you're feeling low, do you want to call

When you're on your own, doesn't hurt at all (oh~ç?Â!)

Do you ever think about me

Do you think about me

When you're feeling low, do you want to call me

When you're on your own, are you feeling lonely

When you're feeling low, do you want to call me

When you're on your own, are you feeling lonely

Ey-yeah

Think about me, when you're lonely

Do you ever think about me

(Do you think about me)

Think about me, me only

Do you ever think about me

(Do you think about)

When you're feeling low (low)

Do you want to call (call me)

When you're on your own (own)

Doesn't hurt at all

Do you ever think about me

(Do you, do you think about me~ç?Â!)

Do you think about me

Think about me, when you're lonely

Do you ever think about me (oh~ç?Â!)

Think about me, me only

Do you ever think about me

(when you're feeling low)

When you're feeling low, do you want to call

When you're on your own (oh, oh)

Doesn't hurt at all (doesn't)

Do you ever think about me (ooh~ç?Â!)

Do you think about me

Think about me, when you're lonely

Do you ever think about me

(Do you, do you think about me)

Think about me, me only

Do you ever think about me

When you're feeling low, do you want to call

When you're on your own, doesn't hurt at all

Do you ever think about me

Do you think about me

(Do you think about me, yeah)

(Think about, think about me)
(Think about me, think about me)
When you're feeling low, do you want to call
When you're on your own, doesn't hurt at all
