

Thinkin About You

J. Holiday

Aye now fo real man
I can't stay that long
Let's go! I've been doing wrong for so long
That it feels so right to me
But you're just not right for me
But it's something 'bout how you move on that floor
Way you be dancing and clappin' and shakin it girl
Had to keep you in my world You may not be me material (no, no, no)
But I don't care (I don't care)
Girl your body and your face is so incredible
Can't seem to get you out my head Just can't stop thinkin about ya
Can't stop thinkin about ya
I just can't stop thinkin about ya
And my girl's layin in my bed
I know it sounds crazy
But it's so real
It's so real I gotta see you one last time, baby
My girl gon kill me but that's fine, baby baby
When I'm alone with you
Feels like you're the one
I'm heaven
Feels like heaven You may not be me material (no, no, no)
But I don't care (I don't care)
Girl your body and your face is so incredible
Can't seem to get you out my head Just can't stop thinkin about ya
Can't stop thinkin about ya
I just can't stop thinkin about ya
And my girl's layin in my bed
I know it sounds crazy
But it's so real
It's so real If time stood still
I'd stay here with you forever
But I gotta go
Back to reality
'Cause my ladies out there waitin up for me Just can't stop thinkin' about ya
Can't stop thinkin about ya
I just can't stop thinkin about ya
And my girl's layin in my bed
I know it sounds crazy

But it's so real
It's so real
