

Fallin'™

Trombone Shorty

Never, never in my life,
have I been so caught up on,
This is usually something i avoid.
This girl, this girl, she changed my world,
and i can just feel my self fallin',
deeper him her love... You see this girl, she stole my heart
and I can't seem to get it back.
I think I might fall,
I think I might fall, down.
This girl she knows just what I like,
and I'm not putting up a fight.
I think I might fall,
I think I might fall, down.
I'm so far outta my comfort zone,
but I don't wanna be alone.
I want you to stay right here by my side.
I can't even believe that I'm saying this,
I don't know what you done to me,
But I'm not complaining, keep doin' the same thing. You see this girl, she stole my heart
and I can't seem to get it back.
I think I might fall,
I think I might fall, down.
This girl she knows just what I like,
and I'm not putting up a fight.
I think I might fall,
I think I might fall, down. I'm fallin', I'm fallin'
I'm fallin', I'm fallin'
I'm fallin', I'm fallin'
Deeper in your love.
You see this girl, she stole my heart
and I can't seem to get it back.
I think I might fall,
I think I might fall, down.
This girl she knows just what I like,
and I'm not putting up a fight.
I think I might fall,
I think I might fall, down.
