Free

Kierra "kiki" Sheard

My redeemer has saved me from sin
My soul is awakened, I live
Free from what held me
Free from what fought me

Mentally, youâ€™ve captured me
In my mind
I am free
In my heart
If I am yours
I am free

My redeemer has saved me from sin
My soul is awakened, I live
Free from what held me
Free from what fought me

Mentally, youâ€™ve captured me
In my mind
I am free
In my heart
If I am yours
I am free

Where the spirit of the lord our god
Is at rest there is freedom
You can be freed from bondage and healed
from brokenness and full of joy
Be freeâ€¦
