Advisory - the following lyrics contain explicit language:

I'm just victim trying to set myself free, but it's so hard to see you ain't right for me  
My friends all hate you but i still disagree  
The way you dance on me it makes it hard to see it  
Is me loving you such a crime?  
You keep my blood rushing all of the time I'm going out of my mind, I'm a victim of love  
Got me tied up in knots, someone please call the cops  
I said I can't walk away 'cuz I can't get enough  
I'm just a tied down, bruised up, victim of love I'm going out of my mind, 'cuz I can't shake your love  
My heart got lost in your sheets, bumping hard to the beat  
I said I can't walk away 'cuz i can't get enough  
I'm just a tied down, bruised up, victim of love You always kick me when I'm down on my knees, 'cuz girl  
you're cold as ice, should've took my moms advice  
My friends all tell me you've been cheating on me, but it's so hard to see, you're no good for me  
Is me loving you such a crime?  
You keep my blood rushing all of the time I can't believe I've been wasting my time  
I think the sex must have made me go blind Come on, I can't shake this  
Come on, a little help now  
Come on, a victim of love
