

# Only You

Selena Gomez

Looking from a window above  
It's like a story of love  
Can you hear me?  
Came back only yesterday  
I'm moving further away  
Want you near me All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you Sometimes when I think of her name  
When it's only a game  
And I need you  
Listen to the words that you say  
It's getting harder to stay  
When I see you All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you, only you  
Uh uh uh only you, only you  
Only you, only you, only you This is going to take a long time  
And I wonder what's mine  
Can't take no more  
Wonder if you'll understand  
It's just the touch of your hand  
Behind a closed door And all I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you, only you, only you  
All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you, only you, only you  
Only you
