

I'll Be Your Mirror

Lou Reed

I'll be your mirror, reflect what you are
In case you don't know, I'll be the wind
The rain and the sunset
The light on your door to show that you're home
When you think the night has seen your mind
That inside you're twisted and unkind
Let me stand to show that you are blind
Please put down your hands 'cause I see you
I find it hard to believe
You don't know the beauty that you are
But if you don't let me be your eyes
A hand in your darkness, so you won't be afraid
When you think the night has seen your mind
That inside you're twisted and unkind
Let me stand to show that you are blind
Please put down your hands 'cause I see you
I'll be your mirror
