

# Keep Me Alive

## All We Are

I'm giving you all that I can take  
Need you baby, I need you baby  
    Giving you all that I can face  
        Do you feel it, baby?  
Do you feel it, baby?I need you baby, to KEEP ME ALIVE  
    To KEEP ME ALIVE  
        I need you baby, to KEEP ME ALIVE  
    To KEEP ME ALIVEGiven your goal is to amaze  
        Need to face it, need to face it  
        Giving you picture to portrait  
        Need the place in, need the place in  
I hear nothing at all but your breathing  
        I hear nothing at all, nothing at all  
        Giving you more than I can think  
        Do you feel it, baby?  
        Do you feel it, baby?  
I need you baby, to KEEP ME ALIVE  
    To KEEP ME ALIVE  
        I need you baby, to KEEP ME ALIVE  
    To KEEP ME ALIVE  
        I hear nothing at all, nothing at all  
        I hear nothing at all but your breathing  
        I need you baby, to KEEP ME ALIVE  
        To KEEP ME ALIVE  
I hear nothing at all, nothing at allI need you baby, to KEEP ME ALIVE  
    To KEEP ME ALIVE  
        I need you baby, to KEEP ME ALIVE  
    To KEEP ME ALIVE  
        I hear nothing at all but your breathing  
        I need you baby, to KEEP ME ALIVE  
        To KEEP ME ALIVE  
        I hear nothing at all, nothing at all
