

# Rain

## Pay money To my Pain

I think of you  
In this freezing rain  
It chills my heart  
I've felt this lost before I've tried my best  
From the time we met  
If I could start again  
I'd make the same mistakes When I close my eyes  
I feel you close to me  
If I could rewrite everything  
Would it still end? Sometimes I wanna know why  
I let you slide away  
One day I'm gonna realize  
This time it's too late  
The rain has stopped  
But the streets are wet  
The sky turns gray  
It's the same everyday Your philosophy  
Is the opposite of me  
But in the end  
All I want is to understand When I close my eyes  
I feel you close to me  
If I could rewrite everything  
Would it still end? Sometimes I wanna know why  
I let you slide away  
One day I'm gonna realize  
This time it's too late  
If I change my view  
The way I look at you  
If I could rewind everything  
How would it end? Somewhere I know that there's sun  
But our clouds, they block the way  
I swear, I'm gonna find out  
Before it's too late When I close my eyes  
I feel you close to me  
If I could rewrite everything  
Would it still end? Sometimes I wanna know why  
I let you slide away  
One day I'm gonna realize  
This time it's too late If I change my view

The way I look at you  
If I could rewind everything  
How would it end? Somewhere I know that there's sun  
But our clouds, they block the way  
I swear, I'm gonna find out  
Before it's too late
