## Ruff Ryders

Everybody, everybody, everybody, everybody  
We call it the dirrty, dirrty, dirrty, dirrty, dirrty  
Dirrty, dirrty, dirrty, Double R  
(Double R)  
Everybody, everybody, everybody, everybody, everybody, everybody  
And we call it the dirrty, dirrty, dirrty, dirrty, dirrty  
Dirrty, dirrty, dirrty, Double R  
Nigga let's get dirrty, dirrty, dirrty, dirrty, dirrty  
I'ma let my pump go early, from Thursday to Thursday  
Eight o'clock in the morning  
That's why we go out on a cop on my corner, yes uh  
Gimme that Lex', I'm gonna exit  
So I can pull up outta here, we gone  
Slow the shit down now so I can catch it  
I'm gon' catch it, catch it, catch it  
Play it to the band 'cause Petey Pablo threw me a bone  
So I could fetch it, fetch it  
Me and Petey Pablo make you follow  
Put the gun in his mouth, make him swallow  
Do a nigga like, Diallo  
I know I'm warm but now it's time to get wa-arm!  
Now it's time to turn up, hurry up, y'all niggaz best to be go-one!  
Left his head to be lo-long from the first day I was born  
Pop guns like popcorn, s-s-stutter like  
Y'all motherfuckers ain't stabbin' shit like a butter knife  
That shit just don't cut right  
On my block all we hear is woop woop, niggaz it's time to run  
Grab your guns 'cause beef with me and Petey P. hide your sons  
Double-R motherfucker  
Let me slow this shit down before y'all make us spit rounds  
Murder your block then skip town, nigga!  
This gon' be the anthem for the clubs  
(Yeah)

'Cause this shit start shootouts and club fights
