Sit with me tonight

Garrison Starr

Sometimes what you don't say
Makes all the difference
Sometimes you find your own way
Without interferenceIt's not all darkness
It's not all light
You don't have to fix this
Sit with me tonightSound of our breathing
And the TV in light
I don't want to fight it
Just sit with me tonightOh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, ohWe pray for acceptance
We pray for deliverance
We pray for understanding
Like it makes all the differenceIt's not all the way you left
It's not all right
You don't have to fix this
Sit with me tonightSound of our breathing
And the TV in light
I don't want to fight it
Just sit with me tonightOh, oh, oh, oh, sit with me tonight
Oh, oh, oh, oh, tonight, tonight
