

# Heartbeat

## Gotcha!

Heartbeat  
Heartbeat, heart, heartbeat  
Heartbeat, heartbeat  
Heartbeat, heart, heartbeat  
I saw you talking on the phone  
I know that you were not alone  
But you're stealing my heart away  
Yeah, you're stealing my heart away  
You're acting like you're on your own  
But I saw you standing with a girl  
Stop tryin' to steal my heart away  
Stop tryin' to steal my heart away  
I don't know where we're going  
I don't know who we are  
I can feel your heartbeat  
I can feel your heartbeat  
(He said to me)  
I can feel your heartbeat  
(Running through me)  
Feel your heartbeat  
(She said)  
I can feel your heartbeat  
(She said to me)  
I can feel your heartbeat  
(She said to me)  
I can feel your heartbeat  
(Running through me)  
Heartbeat, feel your heartbeat  
Maybe it's the way you move  
You got me dreaming like a fool  
That I could steal your heart away  
I could steal your heart away  
No matter what it is your think  
I'm not a kind of girl to blink  
And give my heart away  
Stop tryin' to steal my heart away  
I don't know where we're going  
I don't know who we are  
I can feel your heartbeat

(He said to me)  
I can feel your heartbeat  
(He said to me)  
I can feel your heartbeat  
(Running through me)  
Heartbeat, feel your heartbeat  
(She said)  
I can feel your heartbeat  
(She said to me)  
I can feel your heartbeat  
(She said to me)  
I can feel your heartbeat  
(Running through me)  
(Feel your heartbeat)  
Stop stealing my heart away  
Stop stealing my heart away  
Stop stealing my heart away  
You're stealing my heart away  
I don't know where we're going  
I don't know who we are  
Feels like we were floatin'  
High above the stars  
(Stars, the stars, the stars, the stars)  
Heartbeat  
Heartbeat, heart, heartbeat  
I can feel it, I can feel it, I can feel it  
I can feel it, I can  
I can feel your heartbeat  
(He said to me)  
I can feel your heartbeat  
(He said to me)  
I can feel your heartbeat  
(Running through me)  
Your heartbeat, feel your heartbeat  
(She said)  
I can feel your heartbeat  
(She said to me)  
I can feel your heartbeat  
(She said to me)  
I can feel your heartbeat  
(Running through me)  
Your heartbeat, feel your heartbeat, beat, beat  
Stop stealing my heart away  
(Tell it to me, girl)  
Stop stealing my heart away

(Ooh, give it to me, boy)  
Stop stealing my heart away  
(Just say it to me, girl)  
You're stealing my heart away  
Stop stealing my heart away  
(I can feel your heartbeat)  
Stop stealing my heart away  
(I can feel your heartbeat)  
Stop stealing my heart away  
(I can feel your heartbeat)  
Your heartbeat, your heartbeat
