Alone Here

Jesse Flood

Hold it together when I come undone
Trying to find my way, in a world without sun
You left me this way, from the world I'm shunned
I'm Alone Here
I walk my own path, going out of my way
I do the right thing, but I make a mistake
And I'm losing sleep
As I'm lying awake
I'm Alone Here
Wasting away, til there is nothing left
Saying my piece, til the very last breath
And what can I say, that hasn't been said?
I'm Alone Here, I'm Alone Here
