

All About Me (Radio Edit)

Jenny Bliss

Ah, Ah hey, Ah
Ah, Ah, Ah hey, Ah
Ah, Ah hey, Ah
Ah, Ah, Ah hey, Ah
Ah, Ah hey, Ah
Ah, Ah, Ah hey, Ah

All about me
You never seem to get it
All about me

Youâ€™ve never been easy
To satisfy and to please
Youâ€™re always complaining
About everything I do
Iâ€™m tired of waiting
For you to make a change
For you to make a change
For you to make a change

If you donâ€™t want me to give up on you
You got nothing to say
If you ever want me back, itâ€™s way too late
Donâ€™t ask me to stay

Now itâ€™s all about, all about me
You never listen, you never seem to care
Now itâ€™s all about, all about me
Gonna make it on my own
Now itâ€™s all about, all about me
You never listen, you never seem to care
Now itâ€™s all about, all about me
Gonna make it on my own

I gave you everything
And got nothing in return
But broken promises
Canâ€™t believe I went for it all
Leaving you all alone
I donâ€™t give a damn

I donâ€™t give a damn

I donâ€™t give a damn

Ah, Ah hey, Ah

Ah, Ah, Ah hey, Ah

(Itâ€™s all about me)

Now itâ€™s all about, all about me

You never listen, you never seem to care

Now itâ€™s all about, all about me

Gonna make it on my own

Now itâ€™s all about, all about me

You never listen, you never seem to care

Now itâ€™s all about, all about me

Gonna make it on my own

(On my own)

(On my own)

Ah, Ah hey, Ah

Ah, Ah, Ah hey, Ah

Ah, Ah hey, Ah

Ah, Ah, Ah hey, Ah
