Letting Go

Jennifer Knapp

Time passes by
Think about you everyday
And why, I can't explainYou already broke my back
Why am I the one still hoping
That we can remain?Holding on to you
Is a menace to my soul
Don't you know?And letting go is truly
A freedom still unknown
So I hold
I'm not letting goDo you think that giving up
Shows the courage you'd hope to put up?
Why can't you stay?
All be fair in love and war
Why do you have to leave me here
To drift awayHolding on to you
Is a menace to my soul
Don't you know?And letting go is truly
A freedom still unknown
So I holdWhite knuckle grips
Still you slip through my hands
Leave me wanting more
Woah, so you warned meHow much more can I take?
How much more can I take
Before, before I can wonder?Kiss me on the mouth
Maybe, later you can figure out
What it all meansHolding on to you
Is a menace to my soul
Don't you know?And letting go is truly
A freedom still unknown
So I hold
I'm not letting goI'm not, I'm not letting go
I'm not, I'm not letting go
No, I'm not letting go
