

# Singing Skies and Dancing Waters

## John Denver

So many years ago, I can't remember now  
Someone was waiting for me  
I had the answers to all of my questions  
Love was so easy to see I didn't know  
When I was younger, I should have known better  
I thought that nothing was new  
Through all the spaces, in all of the changes  
The one I lost sight of was you I didn't know, I didn't know  
I could see you in singing skies  
And dancing waters, laughing children, growing old  
And in the heart and in the spirit  
And in the truth when it is told  
My life became shaded and I grew afraid  
And I needed to find my way home  
I just couldn't see you, I thought that I'd lost you  
I never felt so much alone  
Are you still with me? Somehow in reason, I lost sight of seasons  
Tides rolling out and rolling in  
Sometimes in evening when daylight was leaving  
I thought I'd never see you again  
Are you still with me? Are you still with me?  
I'm with you in singing skies  
And dancing waters, laughing children, growing old  
And in the heart and in the spirit  
And in the truth when it is told  
If my faith should falter and I should forsake you  
And find myself turning away  
Will you still be there? Will you still be there?  
I'll be there in singing skies  
And dancing waters laughing children, growing old  
And in the heart and in the spirit  
And in the truth when it is told
