

# Time Flies (edit)

## Porcupine Tree

I was born in '67  
The year of Sgt. Pepper  
And are you experienced Into a suburban heaven  
Yeah it should've been forever  
It all seems to make so much sense But after a while  
You realize time flies  
And the best thing that you can do  
Is take whatever comes to you  
'Cause time flies She said luck is what you make it  
You just reach out and take it  
Now let's dance a while She said nothing ever happens  
If you don't make it happen  
And if you can't laugh and smile But after a while  
You realize time flies  
And the best thing that you can do  
Is take whatever comes to you  
'Cause time flies And laughing in the summer showers  
That's still the way I see you now How does time break down  
With no marker, things slow down.  
A conference of the strange  
And your family is deranged I could tell you what I'm thinking  
While we sit here drinking  
But I'm not sure where to start You see there's something wrong here  
I'm sorry if I'm not clear  
Can you stop smoking your cigar But after a while  
You realize time flies  
And the best thing that you can do  
Is take whatever comes to you  
'Cause time flies And the coat you wore to Alton Towers  
Is still the way I see you now
