FingerGuns

Roberto Horns

I got people In my life I don't care if they all die I don't pull he trigger nah I'm not the one
I don't say it to their face when they turn and walk away I just shoot em in the back with finger guns

No I ain't a killer but don't push me boy I'll light you up like we on tv
Ya im an action until it go down
No don't want no please believe me try to start a fight you won't see me but I keep the shit popping like POP POP POP when you turn around

I kill my boss 2 times a day he always got something to say man as soon as I get a chance I'm gone
But fuck that we don't run away the king king ain't got shit on me
I load up got that then I move along

I got people In my life I don't care if they all die I don't pull he trigger nah I'm not the one
I don't say it to their face when they turn and walk away I just shoot em in the back with finger guns

I got a nine in my pocket I'm lying in quite I'm shy I guess momma on buisness I'm trying to keep these hatas away from me don't care what you no stoped on the pedigree but you ain't gonna flex on me
Got my girl she can't wait to get home and yell at me at the work get your fingers and say fuck everything
So imma be quite cause I ain't with this shit but heu when he leave I gon be talking again

I got people In my life I don't care if they all die I don't pull he trigger nah I'm not the one
I don't say it to their face when they turn and walk away I just shoot em in the
back with finger guns

I got people In my life I don't care if they don't die I don't pull the trigger nah that's not as fun
I don't shoot em in the face when they turn and walk away I just hit an in the back with finger guns

Hahahahaha boy I'm stupid as hell
But you don't go over to me talking crazy
Don't say nothing to me at the no, don't say nothing to me at the bar, don't say nothing to me when I'm out, don't say nothing to me when I'm walking i don't care if you a man or a woman, todler, duck, hippopotamus, I'm banging on that ass
But only when you turn around cause I'm kinda scared of people
