

# Time Will Crawl (Dance Crew Mix)

## David Bowie

I've never sailed on a sea  
I would not challenge a giant  
I could not take on the church  
Time will crawl  
'Til the 21st century loseI know a government man  
He was as blind as the moon  
He saw the sun in the night  
He took a top-gun pilot  
He made him fly through a hole  
'Til he grew real old  
And he never came down  
He just flew 'til he burstTime will crawl 'til our mouths run dry  
Time will crawl 'til our feet grow small  
Time will crawl 'til our tails fall off  
Time will crawl 'til the 21st century loseI saw a black black stream  
Full of white eyed fish  
And a drowning man  
With no eyes at all  
I felt a warm warm breeze  
That melted metal and steel  
I got a bad migraine  
That lasted three long years  
And the pills that I took  
Made my fingers disappearTime will crawl, time will crawl  
Time will crawl  
'Til the 21st century loseYou were a talented child  
You came to live in our town  
We never bothered to scream  
When your mask came off  
We only smelt the gas  
As we lay down to sleepTime will crawl and our heads bowed down  
Time will crawl and our eyes fall out  
Time will crawl and the streets run red  
Time will crawl 'til the 21st century loseTime will crawl and our mouths run dry  
Time will crawl and our feet grow small  
Time will crawl and our tails fall off  
Time will crawl 'til the 21st century loseTime will crawl and our heads bowed down  
Time will crawl and our eyes fall out  
Time will crawl and the streets run red

Time will crawl 'til the 21st century lose  
For the crazy child  
We'll give every life  
For the crackpot notion
