

# Tell Me Baby

## Red Hot Chili Peppers

They come from every state to find  
Some dreams were meant to be declined  
Tell the man what did you have in mind  
What have you come to do? No turning water into wine  
No learning while you're in the line  
I'll take you to the broken sign  
You see the lights are blue Come and get it lost it at the city limit  
Say goodbye 'cause they will find a way to trim it  
Everybody lookin' for a silly gimmick  
Gotta get away can't take it for another minute This town was made of many things  
Just look at what the current brings  
So high it's only promising  
This place was made on you Tell me baby what's your story, where you come from  
And where you wanna go this time?  
Tell me lover are you lonely?  
The thing we need is never all that hard to find Tell me baby what's your story, where do you come from  
And where you wanna go this time?  
You're so lovely, are you lonely?  
Giving up on the innocence you left behind Some claim to have the fortitude  
Too shrewd to blow the interlude  
Sustaining pain to set a mood  
Step out to be renewed I'll move you like a baritone  
Jungle Brothers on the microphone  
Getting over with an undertone  
It's time to turn to stone Chitty chitty baby  
When your nose is in the nitty gritty  
Life could be a little sweet  
But life could be a little shitty What a pity  
Boston and a Kansas city  
Looking for a hundred  
But you only ever found a fitty Three fingers in the honeycomb  
You ring just like a xylophone  
Devoted to the chromosome  
The day that you left home Tell me baby what's your story, where you come from  
And where you wanna go this time?  
Tell me lover are you lonely?  
The thing we need is never all that far to find Tell me baby what's your story, where do you come from  
And where you wanna go this time?  
You're so lovely are you lonely?

Giving up on the innocence you left behind  
Tell me baby what's your story, where you come from  
And where you wanna go this time?  
Tell me lover, are you lonely?  
The thing we need is never all that far to find  
Tell me baby what's your story, where do you come from  
And where you wanna go this time?  
You're so lovely, are you lonely?  
Giving up on the innocence you left behind
