

I've Got News For You

Dr. Feelgood

This is actually a Ray Charles version. I don't know if Dr. Feelgood is the same song or not. I've Got News For You ? Ray Charles You said before me met

that your life was awful tame

Well, I took you to a night club

and the whole band knew your name. Oh, Well, baby, baby, baby

I've Got News For You

Oh, somehow your story don't ring true,

Well, I've got news for you. Well, you phoned me you'd be late

cause you took the wrong express

and then you walked in smiling

with your lipstick all a mess Oh, let me say to you little mama,

Wo, I've Got News for you

Ah, your story don't ring true li'l girl

Yeah, I've got news for you. (Instrumental - subdominant bridge) (A section solo) Oh, you wore a diamond watch,

claimed it was from Uncle Joe.

When I looked at the inscription

it said love from Daddy-O. Oh, well baby, wo lil girl, I wanna say

I've Got News For You.

Ah, if you think that jive will do

Let me tell you, oh,

I've Got News For You

Well, somehow your story don't ring true

Wo, I've Got News For You.
