# All I Do Is Think of You (Instrumental Version)

## Troop

I can't wait to get to school each day
And wait for you to pass my way
And bells start to ring
And angels start to sing
Hey that's the girl for you
So what are you gonna do?
Hey little girl
I love you, I love you soAll I do is think of you
Day and night, that's all I do
I can't get you off my mind
Thinking back all the time
All the timeI begin to take the long way home
Just so I can be alone
To think of how to say
My heart's here to stay
Hey, I'm in love with you
I think the world of you
So won't you please, please be mine?
Oh, please be mineAll I do is think of you
Day and night, that's all I do
I can't get you off my mind
Thinking about you all the time
All the timeGirl, there are so many things
I wanna tell you
I'm in love with you
I think the world of youAll I do is think of you
Day and night, night and day
I can get you off my mind
Thinking about, ooh babyI keep thinking about you
All night long, ooh baby
Day and night, that's all I do
I can't get you
Can't get you off my mindAll I do is think of you
Day and night that's all I do
I can't get you off my mind
Thinking aboutAll I do is think of you
Day and night
I can't get you off my mind
Thinking about
