In the Shadows

Ivy

The first time, I knew
That I had you
The last time I caught you
Oh, had I taught you?I know what you are
I know what you areI watch
(I see you everywhere)
Myself now
Looking
(I know beneath it all)
At youI feel
(I see you everywhere)
Ashamed by it all
(I know beneath it all)
What can
(There's nothing left in me)
I do?I know what you are
I know what you are
I love the way you are
Hiding in the shadows(In the shadows)
In the shadows
(In the shadows)
In the shadowsI know what you are
I know what you are
I love the way you are
Hiding in the shadows(In the shadows)
In the shadows
(In the shadows)
In the shadows(In the shadows)
In the shadows
(In the shadows)
In the shadows
...(In the shadows)
In the shadows
(In the shadows)
In the shadows
...
