Let The Games Begin (Acoustic)

Anarbor

WhoaOnce again, i find myself caught up in that mess
that I love to begin
They always throw at you that classic line, you just left
And know that everything's fineJust Friends
(Just friends)
Thats what they say to you
Over and over again
Just keep on truckin', you know
To know its coming, its time
To let the games begin(2X)
Let the games begin
Take them over, the win
stay focused and don't
give inThe weekends here, we're just hanging out
we got nothing to worry about.
Then comes that awful calling,
you try to solve, but you know
Its just not working at all.Not this
(Not this)
Thats what you say to it
over and over again.
You know they're onto you
But you won't give up, till they
tell you that they always knew.(6X)
Let the games begin
Take them over, the win
stay focused and don't
give in(2X)
Let the games begin
Take them over, the win
Stay focused and don't
give inWhoa
