Plan the Escape

Bat for Lashes

Leave the wasting world behind us
We will make it out alive
Leave the waiting world behind us
We will not look back this timeHold on to our reasons
And plan the escape
Hold on to our reasons
And plan the escapeSilent the sirens
Quiet the tone
While we are sleeping
Will the Earth turn outside
We will not look back this time
Don't be afraid
We will not look back this time
Don't be afraid
Tremors below us
Murmor of ground
Hold on to lanternsLeave the wasting world behind us
We will make it out alive
Leave the waiting world behind us
We will not look back this time
We will not look back this time
(We will not look back this time)Leave the wasting world behind
Leave the wasting world behind
Leave the wasting world behind
Leave the wasting world behindDon't be afraid
We will not look back this time
We will not look back this time
Leave the wasting world behind us
We will make it out alive
Leave the waiting world behind us
We will not look back this time
We will not look back this-
