

My One Mistake

Rex Goudie

Endless days and empty nights
Feel the darkness crawl through my mind
Out of reach but still calling
I can't get to you
Feel the emptiness in my heart
Life's takin' me back to the start
There's no power no glory
I'm just missin' you She was my pleasure and my pain
She was my shelter from the rain
Searchin' for answers where it went wrong
And now she's gone It's my one mistake
Its my living nightmare while I'm awake
There's no escape
She's everything I've ever known
The only thing that I could never change
She's the one that got away Tainted memories follow me
No redemption no remedies
Just the truth that's plain to see
I can't turn back now She was my pleasure and my pain
She was my shelter from the rain
Searchin' for answers where it went wrong
And now she's gone It's my one mistake
Its my living nightmare while I'm awake
There's no escape
She's everything I've ever known
The only thing that I could never change
She's the one that got away Callin' me, hauntin' me
Never ending, its breakin' me
Fell it burnin', inside of me
Yeah It's my one mistake
Its my living nightmare while I'm awake
There's no escape
She's everything I've ever known
The only thing that I could never change
It's my one mistake
Its my living nightmare while I'm awake
There's no escape
She's everything I've ever known
The only thing that I could never change

She's the one that got away
