

# Ain't No Thing

Robyn

Boy, you gotta want me, really, really want me  
Boy, you gotta need me 'cause baby, I can't get enough and I  
I'm trying to catch the feeling of how we used to be and  
How it used to feel back then I'm saying that it ain't no thing for me  
Baby, if it ain't no thing for you  
But baby, if it is a thing for you  
There'll be nothing for me and nothing for you  
Said you might wanna write this down Boy, you know I want you  
Really, really want you, oh, I really need you  
But I don't wanna pick up your socks  
And maybe it's a really silly thing but baby  
It would just be nice to compromise I'm saying that it ain't no thing for me  
Baby, if it ain't no thing for you  
But baby, if it is a thing for you  
There'll be nothing for me and nothing for you I'm saying that it ain't no thing for me  
Baby, if it ain't no thing for you  
But baby, if it is a thing for you  
There'll be nothing for me and nothing for you And maybe it's a really silly thing but baby  
It would just be nice to compromise Ain't no thing, ain't no thing  
I'm saying that it ain't no thing for me  
Baby, if it ain't no thing for you  
But baby, if it is a thing for you  
There'll be nothing for me and nothing for you I'm saying that it ain't no thing for me  
Baby, if it ain't no thing for you  
But baby, if it is a thing for you  
There'll be nothing for me and nothing for you
