Alcohol

Brad Paisley

I can make anybody pretty
I can make you believe any lie
I can make you pick a fight
With somebody twice

Your sizeWell I've been known to cause a few breakups

And I've been known to cause a few births

I can make you new friends

Or get you fired from work. And since the day I left Milwaukee

Lyncheburg Bordeaux, France

Been making the bars

With lots of big money

And helping white people dance

I got you in trouble in high school

And college now that was a ball

You had some of the best times

You'll never remember with me

Alcohol, alcoholI got blamed at your wedding reception

For your best man's embarrassing speech

And also for those naked pictures of you at the beach

I've influenced kings and world leaders

I helped Hemingway write like he did

And I'll bet you a drink or two that I can make you

Put that lampshade on your headAnd since the day I left Milwaukee

Lyncheburg Bordeaux, France

Been making a fool out of folks

Just like you

And helping white people dance

I am medicine and I am poison

I can help you up or make you fall

You had some of the best times

You'll never remember with me

Alcohol, alcoholAnd since the day I left Milwaukee

Lyncheburg Bordeaux, France

Been making the bars

With lots of big money

And helping white people dance

I got you in trouble in high school

And college now that was a ball

You had some of the best times

You'll never remember with me Alcohol, alcohol
