

My Inspection

The Strand

I breathe in your reactions
I failed my own inspection

Youâ€™re back
Would if things were different
Youâ€™re back
For a second we share love again
And youâ€™re gone
For how long

And I give myself some space

And I live to welcome your return embrace
And I know thereâ€™s healthy suspicions
Iâ€™ll never shake my intentions

Cause I know

This is the way I fall inside
This is the place I crawl into the
This is the way I fall inside
This is the place I fall into the
This is the way I fall inside
This is the place I crawl into the
This is the way I fall inside
This is the place I crawl the mind

I crawl into the mind
Crawl into the mind
I crawl into the mind
I crawl into the mind
