

Propaganda

Sepultura

Why don't you get a life and grow up?
Why don't you realize that you fucked up?
Why criticize what you don't understand?
Why change my words? You're so afraid, shit
You think you have the right to put me down
Propaganda hides you scum
Face to face, you don't have a word to say
You got in my way, now you'll have to pay
Don't, don't believe what you see
Don't, don't believe what you read, no
I know my ways, I'm here to stay
Didn't start all this yesterday
Prove you wrong, all the way
Life teach me, you're always alone
