

# Here to Stay (Radio Edit)

## New Order

Who is this man  
That follows me  
This blue eyed boy  
Who wants to be This worthy cause  
Of human kind  
This pawn set up by time Like a bright light on the horizon  
Shining so bright, he'll get you flying  
He'll drive you away, he'll drive you insane  
But then he'll remove all of your pain Like a bright light on the horizon  
Shining so bright, he'll get you flying  
He'll get you flying, he'll get you flying  
He'll get you flying, flying, flying This open book  
Yet to be read  
This second look  
This leap ahead The hope I held inside  
With you, was kept alive Like a bright light on the horizon  
Shining so bright, he'll get you flying  
He'll drive you away, he'll drive you insane  
But then he'll remove all of your pain Like a bright light on the horizon  
Shining so bright, He'll get you flying  
He'll get you flying, He'll get you flying  
He'll get you flying, flying, flying We're here to stay  
We're here to stay  
We're here to stay  
We're here to stay  
We're here to stay  
We're here to stay  
We're here to stay  
We're here to stay Like a bright light on the horizon  
Shining so bright, he'll get you flying  
He'll get you flying, he'll get you flying  
He'll get you flying, flying, flying
