Holy Water

Chester See

I set em up like I Always do
8 ball and I sank the 2
that's when she came in through the back door
and then headed for the dance floorthe way she moved I couldn't concentrate
scratched the Q and sank the 8
just then she started walkin toward me
and said she was lookin for me"Can you show me how to shoot a combo?"
that's when I forgot about tomorrowHeaven's home to saints and angels
and Hell is full of sins and strangers
in this world I find myself somewhere in between
Cause every time I find redemption
I find myself a new temptation
someone gimme that holy water
to wash away, wash away my sinAt the Bar I bought us both a drink
a fuzzy naval and my Bourbon straight
1 round I can hold my whiskey
2 more and things are gettin riskyshe whispered things that I'm afraid to utter
suggested things I would never tell my motherHeaven's home to saints and angels
and Hell is full of sins and strangers
in this world I find myself somewhere in between
Cause every time I find redemption
I find myself a new temptation
someone gimme that holy water
to wash away, wash away my sinYou're puttin me where I don't wanna be
between the devil and the deep blue sea
you've made it hard takin it this far
and I don't have the strength to leaveHeaven's home to saints and angels
and Hell is full of sins and strangers
in this world I find myself somewhere in between
Cause every time I find redemption
I find myself a new temptation
someone gimme that holy water
to wash away, wash away my sin
