Inside

Toad The Wet Sprocket

Free my heart to feel again
Free my mind to understand
To run undeterred
Pull the blinders from my eyeset me see the endless skies
And drown here where I stand
In the beauty of the land[Chorus]
And all my life
It lay inside
For all my lifeTear this anger from my soul
Wash me clean and leave me whole
leave me higher
Work my hands to make them strong
Lift my arms to carry on
That anywhere I go
To never be alone[Chorus]We were always leaving
Since we started breathing
And running back no wonder
We are torn asunder[Repeat: x2]
To give me life
