

# Secret

## Audio Adrenaline

I once was lost in a foaming, roaming, rabid sea  
Then blooms blossomed, changed my outlook  
Now I've been set free I once was sinking in a quarry of quicksand  
Somebody noticed and they offered me a hand I want to tell it, I want to say it, I want to show it  
Want you to know it I've got a secret  
And I cannot keep it  
I've got a secret  
And I cannot cannot keep it There is a God and he's alive and he keeps me well  
That is the secret Mrs. Mademoiselle I want to tell it, I want to say it, I want to show it  
Want you to know it I've got a secret  
And I cannot keep it  
I've got a secret  
And I cannot cannot keep it I've got a secret to the universe  
Until you hear it you can't know what it's worth  
I've got a secret A secret  
A secret  
A secret  
I've got a secret I want to tell it and show it  
I want you to know it I've got a secret  
And I cannot keep it  
I've got a secret  
And I cannot cannot keep it I've got a secret to the universe  
Until you hear it, you can't know what it's worth  
I've got a secret, I've got a secret  
I've got a secret to the universe Oh, would you like to hear it  
Oh, would you like to hear it  
Would you like to hear it  
Would you like to hear it  
I've got a secret
