

Greatest Story Ever Told

Oliver James

Thank you for this moment
I've gotta say how beautiful you are
Of all the hopes and dreams I could have prayed for
 Here you are
If I could have one dance forever
 I would take you by the hand
 Tonight it's you and I together
 I'm so glad I'm your man
 And if I lived a thousand years
 You know I never could explain
 The way I lost my heart to you
 that day
but if destiny decided I should look the other way
 then the world would never know
 the greatest story ever told
 and did I tell you that I love you
 tonight
 I don't hear the music
 When I'm looking in your eyes
 But I feel the rhythm of your body
 Close to mine
 It's the way we touch, it soothes me
 It's the way we'll always be
 your kiss your pretty smile
 you know i'd die for
 oh baby
 you're all i need
 And if I lived a thousand years
 You know I never could explain
 The way I lost my heart to you
 that day
but if destiny decided I should look the other way
 then the world would never know
 the greatest story ever told
 and did I tell you that I love you
 just how much i really need you
 did I tell you that I love you
 tonight
 tonight

And if I lived a thousand years
You know I never could explain
The way I lost my heart to you
that day
but if destiny decided I should look the other way
then the world would never know
the greatest story ever told
and did I tell you that I love you
just how much I really need you
did I tell you that I love you tonight
