

# It Won't Be Long

**Evan Rachel Wood**

It won't be long yeah, yeah, yeah  
It won't be long yeah, yeah, yeah  
It won't be long yeah, till I belong to youEvery night when everybody has fun  
Here am I sitting all on my ownIt won't be long yeah, yeah, yeah  
It won't be long yeah, yeah, yeah  
It won't be long yeah, till I belong to youSince you left me, I'm so alone  
Now you're coming, you're coming on home  
I'll be good like I know I should  
You're coming home, you're coming homeEvery night the tears come down from my eyes  
Every day I've done nothing but cryIt won't be long yeah, yeah, yeah  
It won't be long yeah, yeah, yeah  
It won't be long yeah, till I belong to youWell since you left me, I'm so alone  
Now you're coming, you're coming on home  
I'll be good like I know I should  
You're coming home, you're coming homeSo every day we'll be happy I know  
Now I know that you won't leave me no moreIt won't be long yeah, yeah, yeah  
It won't be long yeah, yeah  
It won't be long yeah, till I belong to you, woo
