

Wolves (ft. Youngblood Hawke) (RAC Mix)

Digitalism

Watchtress of the road
Twist and walk as we go
Disappearing with the wind
We are disappearingMy whole life has changed
I won't do those same things
Disappearing with the wind
We are disappearingWe can take our time to find a way
When the wolves are howling
You can always find the words to say
When the wolves are howlingOur love will lead us home
We'll never get lost
We'll never get lostWe can take our time to find a way
Where the wolves are howlingOh oh oh oh
When the wolves are howling
The wolves are howling
(2x)Hard night's on and on
Spin and shake as we go
Disappearing with the wind
We are disappearingMy eyes ought to blame
They won't see the same things
Disappearing with the wind
We are disappearingWe can take our time to find a way
When the wolves are howling
You can always find the words to say
When the wolves are howlingOur love will lead us home
We'll never get lost
We'll never get lostWe can take our time to find a way
Where the wolves are howlingOh oh oh oh
When the wolves are howling
The wolves are howling
(4x)
